Lee's Summit Quilter's Guild, established 1983

A Message from our President

Can you say hot & dry? That totally describes the weather we have been having. Just another good reason to stay in the air conditioning & sew.

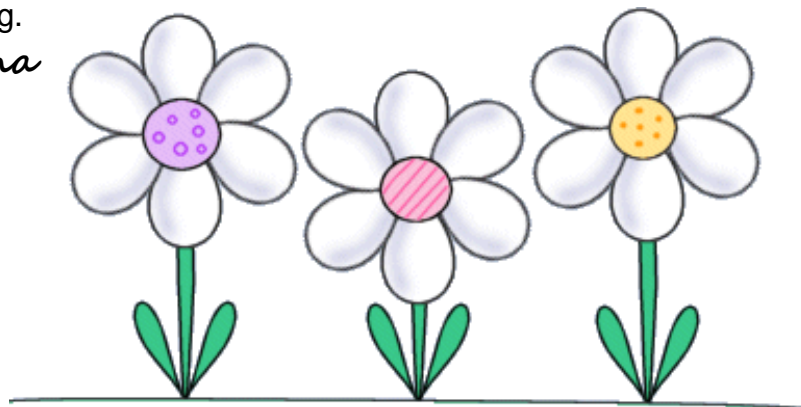

I am totally disappointed that I missed out on the last program. I heard nothing but rave reviews on Pat Speth regarding her trunk show & lecture. Also, I heard nothing but positive comments about her workshop. I'm looking forward to seeing some quilt from her patterns in the quilt show.

Our quilt show will be here before you know it. They are going to start asking for volunteers for the various jobs like white gloving, greeting table, hospitality, boutique, just to name a few. Please consider signing up for one or more of these jobs. We can only put on another fantastic quilt show with the help of all of our members.

I am still looking for people on a couple of committees for the following year. I will be having Diane send out a blast with the list of committees & what is still open. I would appreciate it if you would check it out & see if there is something that is a fit for you. The best way to get to know other members of the guild is to get involved & participate in what the guild has to offer. We hear from all of our guests speakers how impressed they are with our guild & that can only continue with the assistance of all of you.

Enjoy the rest of your summer & I look forward to seeing you all at the August meeting.

The fat quarter Christmas drawing. Please bring your unused, unwanted fat quarter to the August meeting. We are hoping for enough fabric to have 2 drawings at the Christmas party. The basket(s) will be a raffle drawing with each ticket being \$2. Tickets are sold only at our monthly guild meetings. The Ways and Means funds go to help pay for the fabulous programs we have. Drop off your fat quarters and support the guild.

Library

Look for two new quilt book additions for August.

"Nickel Quilts" by Pat Speth & Charlene Thode

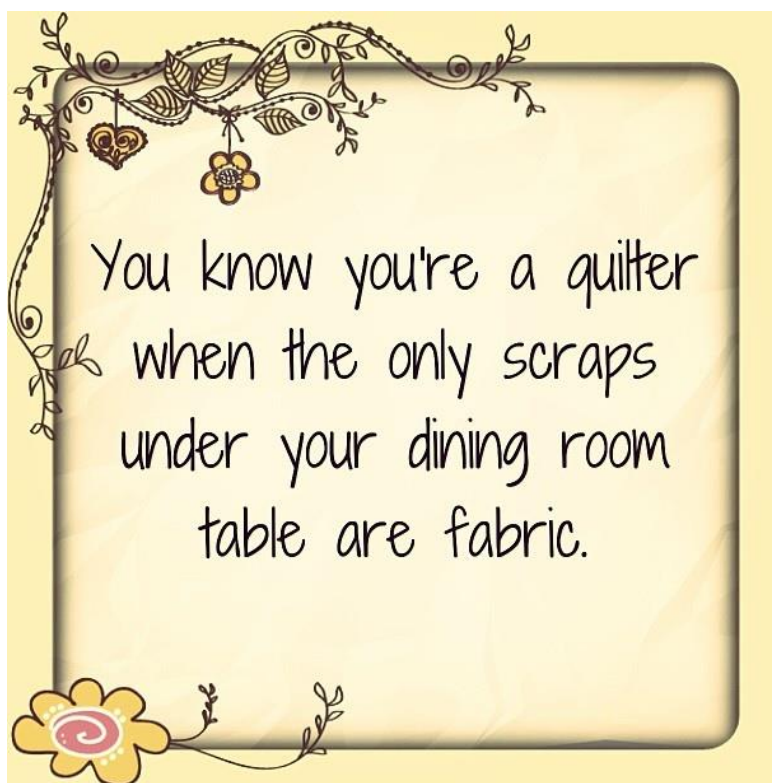

This is the first of Pat's "Nickel Quilt" books and features several of the quilts she shared with us at the July program.

"Simply Fat Quarters" from It's Sew Emma patterns

Features ten fat quarter quilt patterns, most with various size options.

Don't forget, when you need some light reading, we have numerous quilt novels in the library. These have all been donated by guild members and include well known authors such as Jennifer Chiaverini, Earlene Fowler and several others. Newly added are "New Year's Quilt" by Jennifer Chiaverni and "The Christmas Quilt" by Thomas J. Davis.
