Lee's Summit Quilter's Guild, established 1983

A Message from our President

After our half day of Spring it appears we are now into Summer. I am enjoying having the windows open but some days it gets a little steamy. So, I head to the lower level of the house which happens to be where my sewing room is. Hope you are finding time to do what you love.

The quilt show is only a little over 5 months away. Time to finish up all the items you want to enter in the show & also make something for the silent auction &/or the boutique. Nancy Solsberg is already accepting items for the boutique with the exception of books & magazine. So as soon as you have some boutique items completed get them to Nancy at either the Bee or the guild meeting so she can start getting things priced. For the past few years we have exceeded the previous year for money raised from the boutique. Let's see if we can keep that trend going. Remember, the money we make from our quilt show is what makes it possible for us to have the outstanding programs we have had this past year. I have heard rumors of programs to come & trust me you will be amazed at what our program chairs have in store for the future.

Happy Quilting,

Donna
