Lee's Summit Quilter's Guild, established 1983

A Message from our President

What a month! October has been busy getting things together for the quilt show. Thank you to everyone who helped.

The October program we had was an excellent chance to enjoy the quilts made by some very talented ladies from a long time ago. The detailed appliqué and quilting was wonderful. That inspires me to want to improve on my quilting skills. One way to improve on our quilting skills is to participate in our guild activities. I encourage everyone to join in our various opportunities. Every month we have a quilt bee which is just a fun sewing day. There are several workshops planned throughout the year. Another way to participate is to use the new pattern for outreach quilts with subway tiles. It will be a fun pattern to work with. It sounds like the guild projects committee will keep us busy with exciting projects too.

November is here and it's almost time to work on holiday projects. Can you believe that Christmas is right around the corner? What new gift ideas will you create? Be sure to bring them to show and tell to share at the meeting.

Hugs and Stitches, *Cheryl*

Program: Put That On a Quilt - Trunk Show with Joann Webb

Joanne Webb is a quiltaholic & applique addict- her words. Joann will share her journey from a non-quilter & non-artist to designing and entering quilts in judged and juried quilt shows. She will show her beginner quilts to her most current contest quilts (winning & non-winning) and share just a few of the judge's comments. She will also discuss the methods used for putting things on a quilt. She will bring her patterns (remember those pedal cars from the 50's?) and there will also be some hand dyed fabrics for sale. <http://www.jwebbquilts.com/> or Valley Springs Designs

LSQG BEE - The Bee will be held November 17th. It is held the third Monday each month unless there is a holiday. It is held at the Raintree Duck Pond Activity Building, 111 SW Cole Younger Dr., Lee's Summit. Parking is available by the building and on the street. The kitchen is equipped with a refrigerator, ice maker, microwave, coffee and coffee maker. The main room has lots of tables with chairs so that there is adequate space for working. Ironing boards, irons and cutting tables are provided. Pack a lunch or grab something at nearby restaurants. Doors are unlocked at 9 a.m. and we must be out by 4 p.m. Come join us for a fun time with other stitchers.

Beetle Bag Workshop is after the November meeting. We will be in the big room upstairs. Please bring your lunch. We will take a short break after the Guild meeting for lunch.

Please have everything cut out before the workshop. The next step we would like you to have done is the quilting on the 2 large pieces. These are the 12" x 21" pieces. The outside is quilted to one piece of Soft and Stable and the inside is quilted to the 2nd piece of Soft and Stable. The inside will be covered up with pockets, pin cushion, etc. so you can keep the quilting simple.

Please be sure to bring your ring and crushed walnuts, along with your sewing machine, size 14 needles, a walking foot if you have one [optional], matching thread, ruler for measuring, pins and marking pen or pencil.

The vote was taken by a show of hands and the motion passed. The new budget was approved.

GUILD PROJECTS

co chairs - Sharon Neuer email quiltgranny@gmail.com
and Georgene Jurgensen email gfiurgensen@gmail.com

November Strip Exchange

Have fun and add to your strips with a one month, quick strip exchange.

To participate just bring in 26 - 2.5 inch strips cut the full width of fabric. Make it scrappy with no more than 2 strips of any one fabric. Put in a plastic bag with your name on it and drop in the basket at the Guild Projects table in November. Strips will be sorted and returned to you. YOU DO NOT have to participate in the quilt carry bag workshop to do the strip exchange. Just a fun way to get some new fabrics for your next project.

UFO program

The UFO project continues with a new twist. You can register up to 4 projects in each cycle. Yes, an outreach charity quilt or a silent auction boutique item can be one of your items. From small to large we all have things that need finishing. The form needs to be filled out and returned to the guild projects table in November or December. Program starts January meeting. LOTS OF PRIZES AND SURPRISES. The UFO form is at the end of this newsletter.

January Quilt Carry Bag Workshop

January 12 following the guild meeting. Location upstairs at the church.

Sign up continues in November. Two ways to participate. One - use the strip exchange and get a fun and scrappy quilt bag that will be a surprise. Two - use your own fabric (a jelly roll is perfect). Just have 26 - 2.5 inch strips ready to go. The supply list is at the end of this newsletter. Cost is \$5.00 and the workshop will go until 4 pm or until you need to leave. The pattern and all instructions will be provided.

Jan Hoffman is our corresponding secretary. If you know of anyone in guild who is sick, had surgery, or has had a death in their family please let Jan know so that she can send a card. Her email and phone number is in our guild membership book.

The church special events coordinator, Deon, has requested that we simplify our communications with her. Several different ladies from guild have contacted her and it gets confusing as to which event it is for. To make things easier, I have appointed Donna Bland to be our church contact person. If you are on a committee like programs, guild projects, special events or any others that need to use a room or need other items please contact Donna. I will also be available if you cannot reach Donna.

QUILT CARRY BAG SUPPLY LIST

26 Strips (width of Fabric), 2.5" wide

52" x 33" Fabric for lining (muslin is fine) plus 3 - 2.5 inch strips for strap lining

52" x 33" batting

2 lengths of cord each approximately 60" long

Optional:

3 yds of 2 to 4" wide strapping

Velcro or snaps or buttons and pony tail ties

Prior to Class:

Preparing the quilt lining and batting: Use one of 2 methods to secure together. One - spray baste or Two - pin baste them together. If pin basting be sure and pin on the batting side for easy removal. On the long sides sew a basting seam about $\frac{1}{4}$ inch from edge. This will hold your edges together and keep the lining and batting square as you add the strips.

If you are not doing the strip exchange prepare your strips by cutting to 35 inches in length after removing salvage. Save the excess you cut off - we will use that for the handles.

Sewing machine in good working order, and other sewing supplies. Walking foot is helpful, any quilting ruler larger than 6" long, Plus a small cutting mat and rotary cutter for trimming strips.
